DETAILED ACTION

This Office action is responsive to the amendment filed on August 15, 2005.

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art taken either singly or in combination fails to anticipate or fairly suggest providing an input/output bond pad to an outer periphery of the semiconductor die, the input/output bond pad to receive an input/output bond wire operable for electrically connecting to a lead finger of a package, wherein the lead finger is arranged on the package outside of the outer periphery of the semiconductor die, as recited in independent claims 1 and 10. Claims 2-9 and 11-18 are directly or indirectly dependent upon either claim 1 or claim 10 and therefore allowable for at least similar reasons.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
